

### Patient Reschedule, Cancellation, and No Show Policy

In order for us to continue to provide the highest quality of service, it is requested that you give a **24-hour notice** should you need to reschedule or cancel an appointment scheduled with Elite Physical Therapy & Wellness.

If you do not provide a **24-hour notice** to reschedule or cancel your appointment, a **\$25.00** fee may be charged to you. This fee applies to Physical Therapy visits, No Show appointments and the full price of a Massage or Pilates visit. This fee will not be covered by your insurance, but will have to be paid by you personally prior to receiving additional treatments at Elite Physical Therapy & Wellness.
